## Wadebridge, Bodmin & Camelford Foodbank – Latest News 2017

### CAN YOU HELP TO FEED YOUR LOCAL COMMUNITY?

Our stocks are low and we are struggling to fill our food boxes with 3 days' worth of nutritionally balanced food. If you are able to help by donating a can or two we are currently in need of a few things on the list.

We have food collection points at the following stores: Sainsbury's Bodmin, Tesco in Wadebridge and Padstow & Co-Op in Wadebridge.

We are looking for premises so that we can hang our StoreHouse sign above a shop and offer second hand furniture & household goods once again. We receive a number of phone calls each week from people in desperate need of everyday items. Can you help? If you know anywhere we can call home again or have any secure dry storage space please do let us know.

## BODMIN ASDA SHOPPERS, we need your help.

If you are shopping in the Bodmin Asda store during July, August and September we would love you to vote for our Foodbank using your green tokens.

We rely on donations and funding to keep our doors open to help the local community. We provide, on average 1,600 meals a week to people referred to us by a professional organisation. Your donations really do make a difference to people's lives and can provide hope to someone who is having a really hard time dealing with a crisis. Emergency food is the first step in helping many people access other services and support which can help get their lives back on track.
