The Foodbank helps local people in crisis in Bodmin, Camelford, Wadebridge & the surrounding rural areas by providing three days' worth of nutritionally balanced dried & tinned food. Food is given out in exchange for a voucher that is distributed by local statutory & voluntary organisations such as schools, doctors, churches etc. If you or someone you know needs food, or you are a professional service & want to hold vouchers, please contact us on 01208 815374.

The Storehouse is a local project helping local people. People donate second hand furniture, white goods & household items in good condition to the StoreHouse, and these are given free of charge to someone in need or sold for a reasonable price in our shop. Come and have a browse, one person's junk is another person's treasure!

We really appreciate your continued support & food donations. This month we are in need of long-life milk, long-life fruit juice, tinned potatoes, pasta sauce & rice pudding.

## Foodbank At Eden

We had great fun on St Piran's Day at the World Pasty Championship at the Eden Project in March. We provided information about the work we do and how we help people in crisis in our community.

"The people at the foodbank were wonderful, they understood & saved us."

Having always worked and never claimed benefits, Holly, 29, was bringing up her four-year-old daughter, Phoebe alone. Working part-time, Holly could just about scrape by, but when her daughter became poorly and had to spend three weeks in hospital, they returned home to empty kitchen cupboards, bills piling up and no income to support them. The local Citizens Advice Bureau referred Holly to the Foodbank which has helped Holly through this crisis.
