Wadebridge, Bodmin & Camelford Foodbank – Latest News Winter 2017

THANK YOU. With your support we provided festive food boxes to 70 local families in crisis to help them at Christmas time. We are currently in need of food donations and running low on long-life milk, long-life fruit juice, tinned tomatoes, tinned potatoes and toiletries.

It costs over £2,000 every month to run our Foodbank

If you would like to donate to us or become a Foodbank Friend & make a regular donation, please contact us on 01208 815374 or complete the form overleaf. Without financial support & food donations we struggle to provide the valuable service we offer in our community. We are also looking for storage space in the local area.

Since April 2016 we have fed 2,845 people in crisis and distributed over 20 tonnes of food. On average we provide 1,525 meals every week.

"Food parcels are crucial in families lives in times of crisis. They allow money to be spent on other bills so that the family can work through their crisis without the pressure of having to buy food to feed their family" PSA, Bodmin
