## A NEW HOME FOR OUR FOODBANK

When we opened our Foodbank in 2009, many people said that it was not needed, yet in the past 10 years, we've fed nearly 30,000 people from our centres in Wadebridge, Bodmin and Camelford.

Anyone who has visited our main hub in Wadebridge will know how cramped we are for space. The larger premises will provide a safe working environment for our volunteers, meet increased demand and store all the donated food in one place. We will also be able to re-start our StoreHouse (our furniture and household goods re-use project).

## THANK YOU FOR SUPPORTING OUR CROWDFUNDER CAMPAIGN

A huge THANK YOU from us all at Wadebridge Foodbank and StoreHouse for each and every donation that we received. It means so much to have your support and we are overwhelmed to have raised over £12,000 towards our new premises.

We are currently finishing off the painting, flooring and lighting, and will begin to move across to the new premises. We'll update you all on the date of the grand opening and the results of the prize draw, in due course.

Our Foodbanks are currently operating a collection service.  
If you have an online referral, please see below our opening times.

## Huge thanks to our volunteer team at Camelford

We are so grateful to Wendy Harris and the team of volunteers at Camelford who dedicated their time during the past 9 years to support people in crisis from our Foodbank at St Thomas' Church. You have provided a listening ear as well as endless cups of tea and slices of cake to anyone who has been referred to our Foodbank.

Our Foodbank in Camelford is now operating from the Grow Centre. We would like to introduce you to Connie & Trevor Smith, who are pictured in the middle here along with David Flanders from Souls Harbour Church & Nick Holmes who is part of the Grow Centre project team. Our opening times are shown below;

### Camelford Foodbank

The Grow Centre, 14a Market Place  
Camelford PL32 9PB  
Wednesdays 12pm-2pm  
Fridays 10am-12pm

The Grow Centre is a hub for community support, providing practical help in Camelford.
