Latest News 2021

OUR STOREHOUSE SHOP IS OPEN

We are delighted that we can now welcome you all in to our Storehouse Shop. We are open Tuesday-Friday 10am-4pm and Saturday 10am-1pm.

The Storehouse is our furniture & household goods re-use project. The premise is simple: people donate furniture & household items (crockery, cutlery, bedlinen etc) and we sell these items in our shop, allowing us to pay our bills and be sustainable. We also donate them, completely free of charge, to local people in crisis. If you are a professional organisation working with someone in need, please feel free to contact us. Or if you have anything to donate, please do give us a call.

Thank you so much for your kind and generous donations, for every penny and every tin! With your help, we are able to continue helping those in need in our community.

Local support from Morrisons and their customers

Huge thanks to Morrisons in Bodmin for these pre-packed donation bags. Such a great idea, as the supermarket check what we need and it enables the customers to pick one up in store and donate to our Foodbank.
